### **ADVANCE YOUR INTERNATIONAL CAREER AT ANTON BRUCKNER INTERNATIONAL SCHOOL**

Anton Bruckner International School (ABIS) is currently seeking positive, energetic, and experienced teachers to join us.

Anton Bruckner International School is an IB World School authorized to offer the Primary Years Programme (PYP), and the Middle Years Programme (MYP). It is located in Linz, Austria, and is a caring, cosmopolitan community of vibrant learners. ABIS teaches empathy, fosters collaboration and celebrates international diversity. ABIS prepares students with the academic skills and qualifications needed to access any Diploma Programme in any country in the world.

*Our mission is to nurture and inspire; to provide the opportunity for each learner  
to achieve their full potential, within a local and global community*

### **Job Description**

Learning Support is a programme designed for students who have been identified as requiring an Individual Learning Plan (ILP), which may include modified/alternative learning expectations and/or accommodations. An ILP is developed either when a student enrolls at ABIS with diagnosed learning differences or when there is a recommendation resulting from a referral process within the school. This support may be offered in the classroom or in a Learning Support Resource Room, and comprises actions such as

#### **Primary Years Programme**

- Assist the teacher in differentiating lessons and support students by teaching and coaching the development of skills for identified needs such as attention, behavior, motivation, and collaboration in line with the Individual Learning Plan (ILP).
- Provide in-class support to help students who need more individualized assistance in achieving developmental milestones.
- Identify students who would benefit from targeted instruction and work with them for a shorter period of time on targeted goals, usually in the areas of reading, writing, and mathematics.

*"Our mission is to nurture and inspire; to provide the opportunity for each learner  
to achieve their full potential, within a local and global community."*

### **Middle Years Programme**

- Put in place in-class support where students need individual or small-group support in specific areas of the curriculum.
- Collaborate with the subject teacher to develop differentiated or modified learning experiences and/or assessments to support individual students' needs in line with the Individual Learning Plan (ILP).
- Identify students who would benefit from targeted instruction and work with them for a shorter period of time on targeted goals, usually in the areas of reading, writing, and mathematics.

### **Specific Requirements**

- A recognized teaching qualification including Learning Support
- Minimum two years of teaching experience in education
- Familiarity with various teaching resources including, where appropriate, digital tools to support and enhance teaching and learning
- High level of cultural awareness and international mindedness
- IB PYP/MYP experience is an advantage

### **What we offer**

- A friendly and supportive teaching team in a growing school
- Brand-new state-of-the-art school building
- Excellent support and professional development opportunities
- Employee contributions to the Austrian pension plan
- Free healthcare
- Fully funded tuition for dependent children
