### **Trip Costs Notice**

Each year, the class takes one "big" class trip for a week as a team-bonding social event. We recommend you budget a minimum of 700-1000€ for this trip, recognising that inflation is impacting our travel costs.

Additionally, as a part of the IB education, subject teachers also organize 1-day academic field trips as part of their curriculum. Please budget 200€ for the year to account for these costs.
